## Album overview

*All by Heart* is a ten-track Americana album built on real stories and lived-in songwriting. The songs travel through tender love, breakups, barrooms, backroads, bluesy reflection and moonlit mischief, blending roots-driven arrangements with emotional honesty and melodic warmth.

Recorded live during a long, sweltering June weekend in 2025 at Tim Menard and Cathie Van Wert's Chicago home, the album captures an intimate, organic band-in-a-room sound. The sessions were recorded and engineered live by bassist Michael Krayniak, then mixed and mastered by John Abbey at The Garage in Chicago.
